Te Whāriki – Webinars | Ngā Kauhaurangi

Nau Mai, Haere Mai!

Kaiako are invited to participate in the **Te Whāriki 2017 webinar series**.

As part of Ministry of Education funded *Te Whāriki* implementation programme, CORE Education is facilitating a series of 10 webinars from August 2017 – June 2018.

Each one hour webinar will explore a different aspect of *Te Whāriki*. This is intended to support services to weave their own curriculum design as they engage in critical inquiry around *Te Whāriki 2017*.

Webinar 2 – September 2017

Deciding what matters here – Weaving a local curriculum

- How do we decide what matters here?
- How do we ensure a shared understanding of what matters in our service?
- How are these priorities reflected in practice and evidenced in documentation?

Early morning, lunch, afternoon and evening webinars will be available.

This will be repeated 10 times through the month of September.
